- Time** 2-3 minutes

*Two women enter the café, sit in a booth and start looking at the menus.  
One lady is sitting at the table beside the two women.*

- G2:**       *(Looking around)* What is this place?
- G1:**       The New Creation Café. It has apparently been here for a long time but I had never noticed it. I came here a few months ago with a friend.
- G2:**       A couple months? If it's so good, why did you wait so long to bring me?
- G1:**       I wasn't sure if you would like it.
- G2:**       I can see why. Check out some of the stuff on this menu. I've never even heard of some of this stuff. What is patience? *(Say with a French accent and then remark in an impressed tone)* It sounds French.
- G1:**       Oh, you don't want to get that today. I tried it last week and it kept...repeating... on me, if you know what I mean. I don't think I'll ever ask for that again.
- Lady:**     *(From the next table)* Excuse me. I couldn't help but overhear what you just said. I had that trouble with patience myself until I tried it with a side of prayer. The difference is AMAZING.
- G1:**       How much did you add?
- Lady:**     Actually, I've found that the more prayer you add the more it aids digestion. I've started adding prayer to everything! One time I came and just ordered the prayer and I got peace for free.

**ENDING:**

- Lady:**     I don't mean to intrude again but I thought I should tell you that free Salvation is a limited time offer. But the

good news is there is a lifetime guarantee if you get it before time expires.

**G2:** When does time expire?

**Lady:** There is nothing in writing that says, but I will tell you this. *(They all lean in)* I wouldn't wait.

**G2:** Why not? What happens?

*Lady and G1 look at each other and then at G2*

**G2:** What?

***ALTERNATE ENDING***

**G2:** What? What happens?

**G1:** Well, I heard that there will be hell to pay.

*Lady and G1 are looking at G2 who is sitting there wide-eyed with her mouth open in shock.*
