*Sydney and Becca are having an argument in a school hallway.*

**Sydney:** You know what, I don't care.

**Becca:** I just want to explain what happened.

**Sydney:** I don't care what happened. I know what I saw...

**Becca:** But it's not what you think you saw...

**Sydney:** Look, I gotta go.

**Becca:** Fine, see ya.

**Sydney:** Whatever.

*Becca exits stage right as Abbey enters.*

**Abbey:** Hey, Sydney. What's up?

**Sydney:** Nothing.

**Abbey:** Uh huh, like I believe that.

**Sydney:** It's just, Becca and I just got in a big fight, and now she's mad at me and I'm mad at her... and it's just... oh never mind, I gotta go. Bye.

*Sydney exits stage left. Jeff and Haley enter.*

**Jeff:** Hey Abby!

**Haley:** Hi!

**Jeff:** What's up with Sydney?

**Abbey:** Well, she didn't tell me everything, but she and Becca are fighting.

**Haley:** Really? What about?

**Abbey:** Well, Sydney said they're mad at each other. I'm not sure why. Maybe it has something to do with her and Jon.

**Haley:** You mean because he was talking to Becca at lunch yesterday?

*Abbey shrugs her shoulders.*

**Jeff:** So what? That doesn't mean anything.

*Brittany, Justin, and Joey enter and join the group.*

**Abbey:** You can think that if you want to, but to girls it makes a big difference.

**Brittany:** What makes a difference?

**Abbey:** Your boyfriend talking to another girl at lunch.

**Brittany:** That's for sure. If I saw my guy talking to another girl... he'd be in serious...

**Haley:** Yeah, well, Jon has been talking to Becca at lunch this week and Sydney saw them. Becca and Sydney got in this big fight, and now they hate each other's guts.

**Joey:** If it bothers girls so much, how come Sydney doesn't just break up with him?

**Brittany:** (*"like, duh"*) Because she likes him... and the (*Any type of upcoming dance*) is coming up.

**Justin:** Well, maybe Becca should just back off a little.

**Abbey:** That's exactly what should happen.

*Monica and Karen enter from stage right talking to each other.*

**Monica:** And Becca said that Sydney said she saw it with her own eyes.

**Karen:** No way!

**Monica:** Yeah and then she said they got into this really big... (*Realizes the other group is listening to their conversation*)

**Karen:** Hey.

**Abbey:** Hey.

**Monica:** So, did you guys hear what Sydney did to Becca?

**Haley:** Um, I think it was the other way around.

**Karen:** No, we know what we mean.

**Abbey:** Whatever. Becca so betrayed Sydney and you know it. Let's go!

*Abbey and her group leave. Trey, Lucas, Josh enter.*

**Monica:** Can you believe her?

**Trey:** Believe who?

**Monica:** Abbey.

**Karen:** Yeah, she is totally wrong about Becca.

**Monica:** Becca is so innocent and Sydney is so wrong!

**Lucas:** About what?

**Monica:** Haven't you heard?

**Lucas:** Would I be asking if I knew?

**Karen:** Well, Becca didn't spell everything out, but we think that Sydney accused Becca of stealing from her locker.

**Monica:** Sydney said she saw it with her own eyes.

**Trey:** Really.

**Karen:** That's not quite the whole story. I heard Becca didn't steal from Sydney's locker, but what she really stole was Jon's heart away from Sydney. I heard Sydney was always treating Jon bad, so I think it's great that Becca and Jon are a couple now. I'm going to vote for them for King and Queen of the (*Name of dance*).

**Josh:** You girls are so complicated.

**Monica:** Whatever.

**Karen:** Whatever.

*Monica and Karen exit. Becca and Kori enter.*

**Becca:** I don't know what to do, Kori.

**Kori:** Why don't you try talking to her about it?

**Becca:** I tried that already, but she won't listen. She's too mad at me. Besides that, what a weird day, I was just walking down the hall and someone called me a thief. What's that about?

**Kori:** Um...there're some stories going around. Look, you two just need to talk and quit all of this. First though, maybe you should just pray about it.

**Becca:** Great. That's all I need is rumors to go along with Syd and me while we're fighting. I don't even know if God can untangle this mess.

*They exit. Sydney and Kim enter.*
