Person 2: I don't think they have a smoking section.

Waitress: Hey, ladies, welcome to the Church Garden. How are you doing today?

1&2: Good.

Waitress: Good. My name is _____ and I will be taking care of you today. What can I get you to drink?

Person 2: I'm parched.

Person 1: Yeah, me too. What do you have?

Waitress: Well, we've got some living water that will be sure to quench your thirst for eternity.

Person 1: That sounds good.

Person 2: Yeah I'll have some too.

Waitress: Okay.

Person 1: What were you thinking about getting?

Person 2: I don't know. I've never been here before.

Person 1: Oh really? Everything's good. Tends to be a little salty though.

Person 2: Do you have any specials?

Waitress: We sure do. Today we're featuring our Monday night Bible studies.

ENDING:

Waitress: I love it. When I first moved here, I didn't know anyone. I was definitely a little lonely.

Person 2: That's what we were just talking about.

Waitress: Really?

Person 1: Yeah I go to *(name of local college)*.

Waitress: Really? Who knew there was another college down here besides *(name of another local college)*!

Person 1: And I just moved here.

Waitress: Yeah, I know what that's like. But this job really helped me out. You know what they say: When you're here, you're family. *(Lights out.)*
