**Person A:** Ever wish you could tell God exactly what to do? Or maybe just ask him a few questions face to face? Well, the other night I had this dream. I was playing basketball with some friends and God was there, trying to recruit us for his team.

**God:** Hey, can I have a word with you guys?

**Person A:** Yeah.

**Person B:** Sure.

**God:** I've been watching you, and I really like what I'm seeing. I want you to come and play for me.

**Person B:** Really?

**Person A:** I didn't think we were good enough to play on a team.

**Holy Spirit:** No, I think you're exactly what we need.

**Person C:** Great, sign me up.

**Person B:** Yeah, me too. What did you say your name was again?

**God:** I'm God. And this is my assistant HS.

**Person A:** HS?

**Holy Spirit:** *(Shakes hands with Person A)* Holy Spirit. *(Shakes hands with Person B)* Holy Spirit. *(Shakes hands with Person C)* Holy Spirit.

**Person B:** *(Doubtfully)* Right.

**God:** What about you?

**Person A:** Umm, I'm not that good.

**God:** I didn't ask you if you were good, I asked if you wanted to play on my team.

**Person A:** You're the God of the universe *(pause)*.

**God:** Yeah.

**Holy Spirit:** That means "Yes I am."

**Person A:** I know...I just mean. He made the moon, the stars, the platypus...

**Person B:** Platypus?

**Person A:** Well he did. *(To HS)* He really wants me to play for him?

**Holy Spirit:** Absolutely.

**God:** *(Throws Person A a ball)* You game?

**Person A:** Okay.

*Moses and David enter.*

**Moses:** Hhhey Ccccoach.

**David:** Hey, Coach.

**Person C:** Is this your team?

**Holy Spirit:** Yeah, part of it. Moses, these are some new players Person A, B, C.

**Moses:** Nnnice to mmmeet you.

**Holy Spirit:** Moses will be guarding Pharaoh in the game tonight.

**Person B:** Pharaoh?

**Person C:** From the Egyptian team?

**Holy Spirit:** Yup.

**Person B:** Hold up. God, can we have a word with you?

**God:** Yeah.

**Person A:** Pharaoh?

**God:** Yeah.

**Person A:** Well, I hear that it's kind of important to have someone who's eloquent.

**ENDING:**

**God:** It's not about how things look. I'm the Coach. I've studied the other team. I know what strategy is going to work. If you want to play on my team you're going to have to trust me.

**Person B:** Listen, we're wasting our time here. This team is going to lose.

**Person C:** Maybe some other recruiters are still looking for players.

**Person A:** Well...

**Person B:** Let's just take a few minutes to think about this.

*Person B and C exit.*

**God:** What about you?

**Person A:** God it doesn't look good. Who's going to block? David? He's a shrimp.

**God:** Listen, I need a team, not just one player. And a team is made up of people with different strengths.

*God and Person A exit discussing strategy.*
