

A script from

“If You Could See What I Hear”

by

Eddie James, Ginny Lee Ellis, Kristy Davis,
and The Skitiots

- What** Three short skits that work as one, for a long look at a teen couple in a physical relationship and the thoughts they must deal with. (Themes: Obedience, Relationships, Integrity)
- Who**
- | | |
|---------|-------------------------|
| Brian | Brian’s Head (offstage) |
| Katie | Katie’s Head (offstage) |
| Mom | Waitress |
| Student | “Big Baby” |
- When** Present day
- Wear (Props)** Each different scene will require its own clothing and props. Strive for a realistic look, and not a “make-do” look.
- Why** Please see *The Power of Sex* series outlines for several scripture references; message titles “*What About When I’m Really Tempted?*” and “*Why are Guys Strange and Girls Different?*” Download messages at www.simplyyouthministry.com.
- How** This sketch is divided up into three parts:
One: The Phone Call
Two: The Date
Three: The Decision
You can divide this up over a three week period, or do it all in one performance. It works really well if you want a continuing story to play out for a month. The skits build nicely week after week.
- Time** Approximately 12-14 minutes

Part I

(The Phone Call)

*The skit starts as **Brian** sits on one side of the stage, in his bedroom. **Katie** is on the other side, in her bedroom.*

Brian's Head: I'm bored, maybe I'll call someone, maybe a chick, yeah, I'll call a chick.

Brian: Hey, What's this? (*Looks at his hand*) I totally forgot she did this...

Katie's Head: I wrote my number on his hand today at lunch. I wonder if he'll remember. Hmm, I've been sitting here for three hours. Maybe I should do something else. (*Stands up*) No, sit down. (*Sits down*) Maybe my brother's on the phone. (*Picks up phone*) Darn!

***Brian** picks up his phone and calls her. Phone rings. **Katie** almost picks up.*

Katie's Head: Wait, rule number fifty-two: Always wait until the third ring. Two... three... Pick up!

Katie: (*Casually*) Hello?

Brian: Is (*Looks at his hand*) Katie there?

Brian's Head: Smooth.

Katie: Hi, Brian.

Katie's Head: Score!

Katie: What are you doing?

Brian's Head: Talking on the phone, stupid!

Brian: Talk... just chillin'.

Katie's Head: What do I talk about now? Oh, ask about the test.

Katie: So, how do you think you did on that test today?

Brian's Head: What test? I have no idea what she's talking about!

Brian: I think I did pretty well.

Katie rambles about how she did on the test. NOTE: Katie rambles a lot throughout. The actress will need to be okay with improvising these lines.

Brian picks up a magazine and thumbs through it.

Brian's Head: (*Sarcastically*) This one's a keeper!

Katie's Head: You're rambling, he's going to think you're such a dork.

Brian's Head: She's such a dork. Will she ever shut up?

Katie's Head: Say something.

Brian's Head: Say something.

Both: So...

Brian: Do you eat?

Brian's Head: Smooth.

Katie's Head: He's so smooth.

Katie: Yes, I eat.

Brian's Head: Score!

Brian: So, are you doing anything tomorrow night?

Katie's Head: Oh no, what do I say? If I say I'm not doing anything he'll think I'm a nerd. Rule fourteen: If the guy is really interested he should always ask three days in advance. Say no, say no.

Katie: No...thing.... that I know of.

Brian's Head: No-thing?

Katie's Head: Stupid.

Brian: So, you want to go out?

Katie: Hold on just a second. (*Covers phone and screams. Into phone, calmly*) Yes.

Enter Mom.

Mom: Honey, I thought I heard some screaming. Are you okay?

Katie: Yeah, I'm fine, Mom.

Mom: Just checking. I was about to go to the grocery store. Do you need super or regular?

Katie: (*Embarrassed, covers phone*) Can't we talk about this later?

Mom: No, I'm leaving in five minutes.

Katie: Just get regular.

Brian's Head: What's the difference? It's all unleaded anyway.

Brian: So, I'll pick you up around seven or something.

Katie: Okay, sounds great.

Brian: Okay.

Katie: Bye.

Lights out.

Part II

(The Date)

A restaurant. Katie and Brian enter.

Katie's Head: I wonder if he's going to pull out my chair.

Brian sits down without pulling her chair.

Brian's Head: What's she waiting on? Sit down.

Katie: (*Sitting down*) So, this place is really nice.

Brian: Yeah, it is.

Brian's Head: Last time I was here I noticed a hot waitress. I hope she's working tonight.

Enter Waitress.

Katie's Head: Last time I was here, my date ran off with that waitress, I hope that doesn't happen again.

Waitress: Hi, I'm Veronica, I'll be your waitress.

Brian's Head: Oh goody!

Katie's Head: (*Sarcastically*) Oh, goody.
Waitress: Would you like something to drink?
Katie: Water.
Brian: Coke.
Brian's Head: On the rocks.
Brian: On the rocks.

Waitress exits.

Katie: So, what looks good here?
Brian's Head: The waitress!
Brian: You.
Katie's Head: He is so sweet.
Katie: You are so sweet.
Katie's head: That couple over there is so cute.

Katie looks over at imaginary couple. NOTE: Or have another couple sitting down talking and gazing into each other's eyes.

Katie: That couple over there is so cute.
Brian: She is, isn't she?
Brian's Head: Oops.
Katie: What?
Brian: Nothing.
Katie's Head: Hmm, what should I order? If I order steak like I want, he'll think I'm an expensive date, but if I order the salad he'll think I'm a cheap date. Go for the salad.
Brian's Head: (*Looking in wallet*) Man, I only have eight dollars. I want a steak. I hope she gets a salad.

Waitress enters with drinks.

Waitress: And what would you like for the main course?

Katie: Salad. I'll have the salad.

Brian's Head: Good, you need it.

Waitress: (*Touches **Brian's** shoulder*) And for you?

Brian: What do you recommend?

Waitress: (*Flirting*) Real men have the house special.

Brian: I'll have that.

Waitress exits with orders.

Katie's Head: I can't believe she's flirting with him like that.

Katie: I can't believe she's flirting with you. (*Mimicking*) "Hi, my name's Veronica..." Yuck.

Brian: I didn't notice.

Brian's Head: Can you blame her?

*As this dialogue continues, **Katie** gives a dazed look as she thinks about these things. The funnier the look she makes the better.*

Katie's Head: Just look at that couple over there. They are so cute. They seem like they are so in love. Brian and I are going to be just like that one day. We're going to get married, and have cute kids who will look just like us.

Brian's Head: She's spacey.

Katie's Head: Okay, this isn't working. Maybe I should put the moves on him.

Katie: So, what are you doing after this? (*Touching **Brian***)

Brian's Head: Dropping you off.

Brian: Um, I don't know, what do you want to do?

Katie: Well, (*Rubbing **Brian's** arm*) I was thinking that we could go back to my home... Since my parents are out of town.

Brian's Head: Hmm, let me think about this for a second.

Brian: Check!

Lights out.
