"It's All About Me"

by
Tami Duncan

- What** We are so easily distracted, especially when we're trying to focus on God. What do *you* think about during worship? Hopefully, your time with God doesn't look like this. (Themes: Worship, Focus, Vanity, Pride, Distractions, Selfishness)
- Who** Girl 1 Boy 1
Girl 2 Boy 2
- When** Present day
- Wear (Props)** 4 chairs
Small mirror
- Why** Romans 12:1
- How** Timing is really important here with the song and thoughts. Make sure that you practice enough so that it runs smoothly.
- Time** Approximately 3-4 minutes

Girls 1 and 2 and Boys 1 and 2 enter opposite the boys on stage.

Girl 1: I'm so excited that we both got to come to this _____ (*conference, youth rally*) this weekend. (*checking hair in small mirror*)

Girl 2: Me too! I wonder if there's going to be any hot guys here.

Girls either freeze while boys are talking or they pretend to continue talking. Boys enter.

Boy 1: Man, I'm so tired.

Boy 2: I know; I was trying to sleep in the van, but Donna would not stop talking.

B1: Let's sit in the back so we can catch some sleep.

Boys either freeze or pretend to continue talking

G1: Oh. Is that girl joking? Do you see what she's wearing? (*gives disgusted look*)

G2: I've got to have that outfit.

Girls: Yeah right! (*they laugh*)

G1: Oh, they're starting; let's find a place to sit. (*they head to their chairs*)

All: (*singing*) I'm coming back to the heart of worship and it's all about you. It's all about you Jesus.

Each person will speak what they're thinking in their head; when a person has a line, the other three will hum the tune of the song while that person speaks

G2: I hope no one knows my shirt is from Wal-Mart. I did pull all the tags off, right? (*Checks over shirt*)

All: (*singing*) And it's all about you, it's all about you Jesus.

B2: Oh man, I've got a major wedgie (*frantically shakes one leg*) Come on...

All: (*singing*) I'm sorry Lord for the thing I've made it. And it's all about you (**B1 raises his hands**), it's all about you Jesus.

B1: Whoa (*sniffs*)... need a little D.O. for the B.O.

All: (*singing*) And it's all about you, it's all about you Jesus.

G1: Ow, ow, ow. My contact is going to the back of my head (*dramatically fixes contact; her eye is blinking very quickly*).
