**Reporter:** Welcome to HCC's *(insert your church's name or initials)* Smackdown Live!

*(Cheers track)* I'm Craven Lockhart and tonight's grudge match is gonna bring the house down. Hold on folks 'cause we're about to bring you an exclusive interview with "The Ultimate Warrior" and "The Red Baron." *(Cheers track)* These National Tag Team title holders shocked our viewers last week as battle lines were drawn *between* these two giants in the sport. That's right, fans! After last night's incredible blowup, these two have morphed into sworn enemies...

**Wrestlers:** *(Before introductions can be given, the two wrestlers enter in yelling at each other over the last week's incident)*

**Reporter:** Ladies and gentlemen, this is a pretty serious situation. Let's find out exactly what's going on! Excuse me...excuse me... *(Wrestlers still yelling)* Excuse me...

**Wrestlers:** *(Together)* WHAT?!

**Reporter:** "Ultimate Warrior," the fans want to know! What could cause your former championship partner to become your nemesis?

*Wrestlers address the audience and reporter, not each other.*

**UW:** You people want to know what happened? I'll tell you what happened. I'll tell you exactly how "The Red Baron," my so-called friend, turned his back on me.

**Reporter:** "Red Baron," just how do you respond to that harsh accusation?

**RB:** The real story is that "The Ultimate Warrior" turned his back on me.

**Reporter:** What?

**RB:** It's the truth! We had just laid down a bionic elbow on our opponent followed up by double backbreaker. And then right in the middle of the ring, he said ... *(starts to get upset, cracks his neck, pounds his fist into his hands)* he said ...

**ENDING:**

**Reporter:** Well, folks, it looks like this mammoth-sized feud is really over some silly little comments. I'm sorry, Ladies and Gentlemen. I thought we had a real fight on our hands but it seems we have nothing more than a foolish exchange of words. Nevertheless, it looks like each

fighter is convinced his own injustice deserves revenge. I don't think either side is backing down any time soon. We'll keep you posted! For now, stay tuned for our upcoming Pastoral Cage Match, between the Nature Boy Jerry Barber and the Mississippi Mud Dog Jeff Kisiah. *(Insert your own pastors' names)* Will they finally settle their feud over golf and NASCAR once and for all? *(Insert sports teams or music styles or anything else that your pastors may have an ongoing fun rivalry about)* The world will be watching as they battle it out!

*Cheers track/lights down*

*The End.*
