

A script from

“The Domino Skit”

by
Tommy Woodard

- What** This skit is pure fun, looking at what could be the weirdest date on record.
Theme: Fun
- Who** Geek
Cool guy
Snobby chick
Girlfriend
Jock
- When** Present day
- Wear
(Props)** 5 chairs
Box of popcorn
Large soda
Box of candy
- Why** For fun
- How** Seating the characters is crucial to the joke of this skit. The five chairs should be in this order: Empty/Snobby Chick/Jock/Cool Guy/Empty.
- Time** Approximately 5-6 minutes

*The skit starts with **Geek** and **Girlfriend** walking in. **Geek** has popcorn, drink, and candy.*

- Geek:** Thanks for coming to the movie with me. This is so cool.
- Girlfriend:** Yea, no problem. Just remember, this is just a friend thing you know.
- Geek:** Yeah, but it could lead to something more!!!!
- Girlfriend:** Uh...no.

As they get closer to the seats, they realize that there are none together.

- Geek:** Oh shucks! There aren't any seats together.
- Girlfriend:** (*Trying to act disappointed*) Oh, so there aren't. It's okay.
- Geek:** Don't worry sweetheart, I'll take care of this. (*Walks over to **Cool Guy***) Pardon me my good man, I am escorting this young maiden to the picture show and we cannot find any seats together. So I was wondering if you would mind scooting over so we might better enjoy our cinematic experience?
- Cool Guy:** She's with you?
- Geek:** She's MY GIRLFRIEND!
- Girlfriend:** No, I'm not...I mean, yes I am a girl and I am kind of his friend, but we're not together.
- Geek:** So, are you going to scoot or do I have to...(***Cool Guy** stands up and gets in his face*)...
- Geek:** figure out another way to alleviate my current predicament?
- Girlfriend:** Hey Bernie, it's okay. Look, there's a seat over there. You just go sit over there and I'll sit right here. (*She sits down next to **Cool Guy** and looks longingly at him*)
- Geek:** But then we won't get to sit next to each other.
- Girlfriend:** Yeah, I know!
- Geek:** That's no fun!
- Girlfriend:** (*Staring at the **Cool Guy**, not even acknowledging the **Geek***) Yeah I know, isn't it?

Geek walks down to the end of the row, acting like he's scooting down the row at a theater.

Geek: (Sits kind of dejected for a moment, then to **Snobby Chick**...) Would you like some popcorn?

Snobby Chick: As if!

Geek: (Holding out popcorn box) No, pass it down.

Snobby Chick takes popcorn and passes it to Jock, who takes a handful. Jock passes it to Cool Guy, who takes it and offers some to Girlfriend. She is pleased to see a man so thoughtful.

After a moment, Geek gets a little thirsty, and the same passing takes place for the soda.

Next to be passed is the candy. If at all possible it should be a candy like Hot Tamales, or Junior Mints where everyone can take a couple of candies.

As they all kind of settle in to the movie, the Geek is constantly eyeing Girlfriend and Cool Guy. Eventually, he gets an idea and puts his arm around Snobby Chick.

ENDING:

Geek: (To **Snobby Girl**) You wanna leave?

Snobby Chick: I thought you'd never ask!

Geek and Snobby Girl leave. Jock is left by himself.

Jock: Finally, I can watch (current chick flick) in peace!

The end.
